"The Mitchiner Family"

Through a long period of research, and correspondence in Germany, England and Washington D.C. by Blanche Mitchener, Selma, N.C. and given to Mary Mitchiner Oliver of Pine Level, N.C. because of her deep interest, I Mary record a few facts as to the origin of the present families in Johnston County, Wake County, and Franklin County.

First, the name. In germany it was spelled "Muchner" In England, germany, "Michner" One of the boys of the early family named John, came to America several years before others came. It is thought, perhaps the transport was once a year and only three hundred were permitted at a time, the above John must have been amoung earlier groups locating in Philadelphia, Penn. The name then was spelled two ways, Mitchiner, and Mitchener.

During the year 1714 three nephews of the Philadelphia "John" came to America as visitors Namely Jeramiah II, John, and Luke. loosing the desire to return to England, but rather going South. They were given a horse by a friend. All three started ou for the southern states. hitch-hikeing with one horse, as far as Virginia, and on to Edenton, N.C.

John died young. Luke Married, but no children.

1728 Geremiah married Martha Hasley Batom.

To this union were the following children.

Samuel, David, Jeremiah Charles. Girls of this family not mentioned.
